

Games that can be adapted depending on the session

Statement game – Give some statements to get the group going – ie.

‘Voting age should be 16’

One person makes the statement and stays in the middle to host the discussion – Group hear the statement – If agree they go to one side of the space – If don’t agree go to the other – In the middle are unsure– Discuss the statement – people can change their position.

Find the Activist

Research a list of activists – have a separate photo/name and description of what they’ve done – Group have to match – photo with name and description

Local Government

Two teams/parties min

2/3 Councillors

Teams are told they have x amt of money to spend on young people- in their teams they discuss where it should be spent and feedback to the Councillors – After both groups are heard the Councillors discuss and vote on which group should be funded
